SERVICE & LEADERSHIP

The RCHK Truth - School Newspaper

Editor-in-Chief

(March 2021 - Present)

Oversaw all departments of the school newspaper, including Photography, Marketing, and Young Truth (the primary school sister publication). Directly coordinated all aspects of the publication.

3D Printing Club

President

(February 2022 - Present)

Led a club to teach secondary students about 3D printing and offer hands-on 3D printing experience. Directed projects to help underserved communities with 3D printing, such as Responsibilities include planning club sessions and teaching.

PROJECTS

3D Printing Club Fundraiser Project

Director

(March 2022 - Present)

Directed an annual project three to sell 3D printing-related products at RCHK College Fair 2022-2024. Raised \$15,000+ HKD in revenue, and donated proceeds to three different charities. Responsibilities include managing inventory & supplies, point-of-sale stall design, and accounting.

Inter-ESF Math Race 2024 & 2025

Organiser

(August 2023 - January 2025)

Organised an ESF-wide math competition twice, hosting 300+ students across Junior (Y7 & Y8) and Senior (Y9 & Y10) categories. Led every aspect of organisation: advertising, recruiting volunteers, creating competition material, designing competition rounds, manually gathering all equipment.
